EDUCATION

Texas A&M University – College Station, Texas

Graduated May 2017

Bachelor of Science in Computer Science with Minors in Mathematics and Art

Cumulative GPR: 3.52, Major GPR: 3.62

EXPERIENCE

ReachLocal – Plano, TX

[March 2018 – present]

Website Support Developer

- Resolved client website support cases post-launch and implemented requests/changes in a swift manner.
- Partnered in the migration of over 1700 websites from a proprietary platform to the Wordpress platform; mitigating issues, squashing bugs, and QA testing throughout the process.
- Pioneered efforts to proactively enhance the design and user experience of client migrated websites to ensure high conversion rates and satisfied clients.
- Supported the ReachEdge SaaS solution by troubleshooting technical issues and educating US & Canadian potential product usage and features.

ESPN – Bristol, Connecticut

[September 2017 – November 2017]

Production Operations Intern (Audio Assist)

- Spent ten weeks learning and assisting in broadcast programming at ESPN's headquarters.
- Programmed, facilitated and monitored communications between the control room and studio.
- Prepared microphones and placed them on high-profile talent for shows such as SportsCenter.
- Cleared to work independently on the shows First Take and Econet/Redes without any supervision.

12th Man Productions – College Station, Texas

[February 2015 – July 2017]

Student Worker (Audio Operator, Technical Director)

- Operated audio board as the A1 for broadcasts of exhibitions of multiple A&M sports to the SEC Network+, including games that went linear to ESPNU and the SEC Network, and sub-mixed in the redeveloped Kyle Field for A&M football games in the 2015 season for over 102,000 people.
- Operated video switcher as the technical director for broadcasts of exhibitions of multiple A&M sports to the SEC Network+, as well as to the video board in campus sporting venues.
- Produced graphics, videos, and features needed for A&M Athletics.

Sky Ranch – Van, TX

[Summer 2015, Summer 2016]

Audio Visual Technician

- Oversaw all audio, video, and lighting production for major events on camp.
- Maintained A/V equipment on site during the summer and assembled sound systems to be used each night for events on camp.

Senior Counselor

- Coordinated activities and supervised 8 and 9-year-old boys at an overnight camp in Van, TX.
- Facilitated duties for other counselors in the cabin and held responsibility for the entire cabin.

SKILLS

- UI/UX Interface Technology and Design, including Web Design
- Programming Languages: HTML5, CSS3, Javascript/JQuery, Wordpress, C++, Java, Android, Unity
- Media Production:
 - Audio engineering (A1) for broadcast and in-house, on digital and analog platforms (10+ years)
 - Experience operating various cameras both inside & outside, DSLR through broadcast-grade
 - Video switching between multiple cameras and graphic sources for broadcasts & in-house productions
 - Experience with various lighting systems and consoles
- Graphics Packages: Photoshop, Illustrator, InDesign, Lightroom, After Effects
- Video Editing: Final Cut Pro X, AVID Media Composer
